

Warm spaces

Hinckley & Bosworth Borough Council

Public buildings and spaces across the borough are being converted into 'warm spaces' this winter to help those struggling to heat their homes as the cost-of-living crisis bites. The Borough Council has created a directory of all the places available to its residents across the public, private and voluntary sectors.

It aims to ensure anyone who is cold knows where they can go to get warm, stay warm and enjoy a little company and some hot refreshments. This list is being regularly updated, so to view the latest listings visit

If you would like your venue added to this list please email edwina.grant@hinckley-bosworth.gov.uk
